

My Mother

..... My love and my best friend

You are the sunshine in my life,

Because you brighten up my day !

You are the star in my life,

Because it's you who made me shine !

You are the rose in my life,

Because it's your beauty that I inherit !

You are the rainbow in my life,

Because it's you who add colour to my life !

You are the hope in life,

Because you believe in me more than I do

You are the angel in disguise,

Because you help me fulfill all my dreams !

You are my hero,

Because its you who made me what I am today !

You are the love of my life,

Because you make me feel that love is true and endless !

You are my everything ,

So I am proud and blessed to be your loving daughter, My Mother ☺

Dedicated to all the wonderful Mothers in the world who sacrificed most of her priorities to make us what we are today and live with pride and happiness.
